## EDUCATION

---

- **University of Kansas** Spring 2024 - Present  
*Ph.D. Candidate in Clinical Psychological Science* Lawrence, KS
  - Academic Advisor: Tera Fazzino, Ph.D. & Jeffrey Girard, Ph.D.
  - Dissertation Title: The acute effects of alcohol on the momentary valuation of hyper-palatable foods using ecological momentary assessment
  - Dissertation Committee: Tera Fazzino, Ph.D., Jeffrey Girard, Ph.D., Michael Amlung, Ph.D., Laura Martin., Ph.D.
- **University of Kansas** Fall 2023  
*M.A. in Clinical Psychological Science* Lawrence, KS
  - Thesis Title: The Effects of Hyper-Palatable Foods on Energy Intake and Eating-related Experiences in Free-living and Real-time Conditions among Adults
  - Thesis Committee: Tera Fazzino, Ph.D., Jeffrey Girard, Ph.D., Richard Yi., Ph.D., Corby Martin., Ph.D.
- **Handong Global University** May 2020  
*B.A. in Counseling Psychology & Digital Humanities* Pohang, South Korea

## HONORS AND AWARDS

---

- **Comprehensive Oral Exam Distinction of Honor** Fall 2025  
*University of Kansas*
  - "Outstanding/Honors Pass" for the comprehensive oral examination
  - Project title: "The acute effects of alcohol on the momentary valuation of hyper-palatable foods using ecological momentary assessment"
- **APCS Clinical Science Student Training Award** Summer 2025  
*The Academy of Psychological Clinical Science* Amount: \$1041
  - Awarded to provide financial support for graduate students to pursue advanced, specialized training in clinical science
  - Topic: advanced research methods for intensive longitudinal data
- **KU Psychological Clinical Science Research Award** Spring 2025  
*KU Psychological Clinic* Amount: \$150
  - Awarded for maintaining excellent research productivity via first-authored publications
- **Graduate Student Travel Award** Spring 2025  
*University of Kansas* Amount: \$750
  - Awarded to a graduate student at the University of Kansas to fund travel to an academic conference for presentation of personal research
- **Comprehensive Written Examination Distinction of Honor** Summer 2024  
*University of Kansas*
  - "Outstanding/Honors Pass" for the comprehensive written examination, independent comprehensive literature review
  - Project title: "A Systematic Review of Ecological Momentary Assessment Studies of Food Craving"
- **David Schulman Award** Spring 2024  
*University of Kansas, Clinical Psychological Science Program* Amount: \$1000
  - Awarded to a doctoral student in clinical psychological science program based on a vote of program faculty, in recognition of overall excellence across clinical, research, and teaching domains
- **KU Outstanding Thesis Award Finalist** Spring 2024  
*University of Kansas, Department of Psychology*

- Selected as the best thesis by the Department of Psychology and submitted to the Outstanding Thesis Project Award by the College of Liberal Arts and Science at the University of Kansas

- **Master's Thesis Distinction of Honor**

Spring 2024

University of Kansas

- "Outstanding/Honors Pass" for the thesis program requirement
- Project title: "The Effects of Hyper-Palatable Foods on Energy Intake and Eating-related Experiences in Free-living and Real-time Conditions among Adults"

- **Graduate Student Travel Award**

Fall 2023

University of Kansas

Amount: \$750

- Awarded to a graduate student at the University of Kansas to fund travel to an academic conference for presentation of personal research

## CLINICAL TRAINING

---

- **Behavioral Health Acute Care**

August 2024 - May 2025

University Health, Kansas City, Missouri

Supervisor: Eric Shult, Ph.D.

- Administered evidence-based psychological interventions to individuals in need of short-term crisis stabilization
- Provide group and brief individual psychotherapy to patients with a wide range of psychiatric conditions
- Collaborated with a multidisciplinary team to coordinate patient care, enhance treatment outcomes, and ensure continuity of care across providers
- Administered brief intake/discharge self-report assessments

- **KU Psychological Clinic Peer Supervision Practicum**

Summer 2024 - Summer 2025

University of Kansas, Lawrence, KS

Supervisor: Sarah Kirk, Ph.D., ABBP

- Supervised a beginning graduate-student therapist on assessment administration and interpretation, case conceptualization, treatment planning, and implementation of evidence-based treatment in an outpatient setting during weekly, one-hour peer supervision meetings.
- Reviewed videotaped sessions, report writing, and weekly session notes to monitor adherence to clinic procedures and treatment protocols and to provide feedback on therapy skills/competencies as appropriate for the supervisee's developmental level
- Provided oral and written feedback on therapy sessions and documentation to increase developmentally appropriate therapy skills/competencies
- Incorporated feedback from supervision-of-supervision meetings to increase competencies for becoming a clinical supervisor

- **KU Psychological Clinic Practicum**

Fall 2022 - Present

University of Kansas, Lawrence, KS

- Supervisors
  - Alex Williams, Ph.D. (Fall 2022 - Spring 2023)
  - Ali Calkins-Smith, Ph.D. (Summer 2023 - Spring 2024)
  - Sarah Kirk, Ph.D., ABBP. (Summer 2024 - Present)
- Provide individual therapy and assessment services to outpatient community members of adults, university staff, and university students representing a wide range of cultural and socioeconomic backgrounds.
- Implement evidence-based treatments for mood, anxiety, personality, and other DSM-5 diagnoses.
- Therapies conducted but not limited to: Cognitive Behavioral Therapy, Unified Protocol, Motivational Interviewing, Acceptance and Commitment Therapy, Exposure Response Prevention Therapy.
- Conduct comprehensive psycho-diagnostic and cognitive/achievement assessments.
- Assessments conducted but not limited to: BROWN ADD, MIGDAS, DIAMOND, SCID-5, WAIS-IV, WAIS-V, WASI-III, WIAT-4, PAI, MMPI-3, DEKEFS, CPT-3

## RESEARCH EXPERIENCE

---

### • The Kansas Data Science Consortium

Graduate Research Assistant

Spring 2024 - Present

Lawrence, KS

- Funded by the ARISE project through the Kansas EPSCoR office and the National Science Foundation
- Developed a public-facing [repository](#) of data science curriculum materials

- Assisted the development of data science projects KDSC receives from community partners that are housed in its Community Data Labs program
- Assisted the KDSC data science courses offered at the University of Kansas.

## • Affective Communication & Computing Lab [🌐]

Summer 2024 - Present

Graduate Research Assistant

Lawrence, KS

- Led a collaborative project with **the Baker's Lab**, analyzing intensive longitudinal dataset from outpatients with serious mental illness
- Developed a sentiment analysis model using local large language models
- Conducted Bayesian location-scale modeling to examine the systematic bias of using large language models for sentiment analysis in non-clinical and clinical samples

## • Health Behavior & Technology Lab [🌐]

Fall 2021 - Present

Graduate Research Assistant

Lawrence, KS

- Rated the intervention fidelity of behavioral activation for an R01 project
- Assisted in running experimental studies on the acute effects of alcohol intoxication on the reinforcing value of hyper-palatable foods
- Mentored an undergraduate lab student (Audrey Rips-Goodwin) on her independent research project, including data analysis and manuscript writing

## CONFERENCE TALK

- [1] Yang, Y., **Jun, D.**, Welch, B. M., Sprunger, J., Girard, J. M. (2025, September). Computational analysis of multimodal behavior in telehealth trauma interviews Oral presentation at *International Society for Traumatic Stress Studies Annual Meeting*, Baltimore, MD, United States.

## INVITED TALKS

---

- **McLean Hospital, The Baker Lab** May 2025  
*Predicting Clinical Ratings of SMI from Daily EMA and Audio Journals: A Transdiagnostic Within-Person Approach*
- **Handong Global University, Pohang, South Korea** May 2024  
*"How to get into Ph.D. program in the United States"*

## TEACHING EXPERIENCE

---

- **Guest Lecturer** Fall 2024  
*University of Kansas*
  - Course: PSYC 595 Eating and Weight Disorders
  - Instructor: Tera Fazzino, Ph.D.
- **Introduction to R** Summer 2024  
*Handong Global University*
  - Workshop instructor for 2 days
- **Graduate Teaching Assistant** Fall 2023  
*University of Kansas*
  - Course: PSYC 790 Statistical Methods in Psychology
  - Instructor: Jeffrey Girard, Ph.D.
- **Workshop Assistant** Summer 2023  
*Pittsburgh Summer Methodology Series*
  - Course: Introduction to R for Social Scientist
  - Course: Intermediate R for Social Scientists
  - Instructor: Jeffrey Girard, Ph.D.

- **Graduate Teaching Assistant**

*University of Kansas*

*Spring 2022*

- Course: PSYC 318 Cognitive Psychology
- Instructor: Susan Marshall, Ph.D.

- **Graduate Teaching Assistant**

*University of Kansas*

*Spring 2022*

- Course: PSYC 370 Behavioral Neuroscience
- Instructor: Nancy Hamilton, Ph.D.

- **Graduate Teaching Assistant**

*University of Kansas*

*Spring 2021*

- Course: PSYC 350 Abnormal Psychology
- Instructor: Stephen Ilardi, Ph.D.

- **Graduate Teaching Assistant**

*University of Kansas*

*Fall 2021*

- Course: PSYC 333 Child Development
- Instructor: Paula Fite, Ph.D.

## SKILLS

---

- **Programming Languages:** R, Python, HTML
- **Statistical & Data Science Tool:** Multilevel Modeling, Bayesian Analysis, Structural Equation Modeling, Item Response Theory, Traditional Machine Learning (e.g., random forest), Large Language Model
